

## TFW 无刷三相交流同步发电机系列

| 型号       | 常用功率<br>(KW/KVA) | 额定电压<br>(V) | 额定电流<br>(A) | 功率因数<br>(cos $\phi$ ) | 额定转速<br>(r/min) | 稳态电压调整率<br>(%) |
|----------|------------------|-------------|-------------|-----------------------|-----------------|----------------|
| TFW2-10  | 10/12.5          | 400/230     | 18.1        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-12  | 12/15            | 400/230     | 21.6        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-16  | 16/20            | 400/230     | 28.8        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-20  | 20/25            | 400/230     | 36.1        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-24  | 24/30            | 400/230     | 43.2        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-30  | 30/37.5          | 400/230     | 54.1        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-40  | 40/50            | 400/230     | 72.2        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-50  | 50/62.5          | 400/230     | 90.2        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-64  | 64/80            | 400/230     | 115.6       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-75  | 75/93.75         | 400/230     | 135.5       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-90  | 90/112.5         | 400/230     | 162.6       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-100 | 100/125          | 400/230     | 180.4       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-120 | 120/150          | 400/230     | 216.8       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-150 | 150/187.5        | 400/230     | 271         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-160 | 160/200          | 400/230     | 288.6       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-180 | 180/225          | 400/230     | 324.7       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-200 | 200/250          | 400/230     | 360.8       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-220 | 220/275          | 400/230     | 396.8       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-250 | 250/312.5        | 400/230     | 451         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-280 | 280/350          | 400/230     | 505         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-300 | 300/375          | 400/230     | 541         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-320 | 320/400          | 400/230     | 577         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-350 | 350/437.5        | 400/230     | 631.3       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-400 | 400/500          | 400/230     | 721.7       | 0.8                   | 1500            | $\pm 1$        |
| TFW2-450 | 450/562.5        | 400/230     | 831         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-500 | 500/625          | 400/230     | 902         | 0.8                   | 1500            | $\pm 1$        |
| TFW2-600 | 600/750          | 400/230     | 1084        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-720 | 720/800          | 400/230     | 1300        | 0.8                   | 1500            | $\pm 1$        |
| TFW2-800 | 800/1000         | 400/230     | 1445        | 0.8                   | 1500            | $\pm 1$        |
